FORMERLY SAVE TULLIBODY PUBLIC PARK

Scottish Charitable Incorporated Organisation (SCIO)

Charity No: SC047890

Welcome to our 4th **Tullibody Community Development Trust** newsletter.

We are pleased to announce we have nearly **400** members supporting us to save the Civic Centre and playing fields under community ownership. Let's make it **1000!**

We're building up a profile of all groups, clubs and users at the Civic Centre. If we haven't spoken to your group or club yet, please get in touch at your earliest.

The **Tai Chi** class has been running at the Civic Centre on Tuesday evenings at 6pm for 10 years!

Updates:

We've been unsuccessful in our first application to the Scottish Land Fund for the £30K we need to secure essential professional support. However we will be resubmitting a new application in the near future with assistance from our new key officer at the Land Fund, the Development Trust Association and our local CTSI officers.

The Council is still keen for the community to take on the running of the Civic Centre, if we are not yet in a position to apply for Community Ownership. We'll need to get our thinking caps on and decide what's the best way to go forward ~ a User Management Group?

Please come along to our next meeting to help us assess the options.

Members Meeting – 7pm on Tuesday 22nd May 2018 – Civic Centre
